

# WEATHERPROOF ZWP224

17 Watts / 2250 Lumens / 85+ CRI

Weather proof LED batten manufactured using Japanese based die's featuring 150lm/w technology. Polycarbonate IP65 rated body with tamper-proof stainless steel clip and pattern polycarbonate diffuser for smooth uniform light distribution.

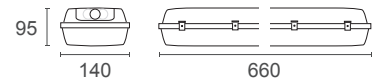

|               |      |
|---------------|------|
| Input Voltage | 240V |
| System Power  | 19W  |
| LED Power     | 17W  |

|           |       |
|-----------|-------|
| Lamp Type | LED   |
| IP Rating | IP65  |
| Weight    | 1300g |

## ZWP224 Technical Specifications

|                     | ZWP224                            |
|---------------------|-----------------------------------|
| COB Lumen Output    | 2250 lm                           |
| Total Luminous Flux | 1845 lm                           |
| Efficacy            | 97.9 lm/W                         |
| Lifetime            | 50,000hrs (L70)                   |
| Power Factor        | > 0.96                            |
| Input Voltage       | 220V - 240V AC 50/60 Hz           |
| Protection          | Thermal and Short Circuit         |
| Dimming             | DALI* 1-10v* Available on request |
