

MAXILED XDE40

40W LED Downlight

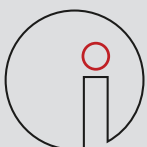

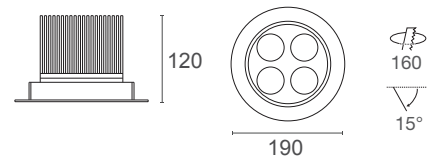

40 watt LED downlight consisting of 4 Japanese made LED's in 3000K, 4000K and 5000K. All colour temperatures have a high colour rendering index (CRI) and high COB lumen outputs of 5340Lm (3000K), 5560Lm (4000K) and 5640Lm (5000K). Anodized pressure cast heatsink provides effective thermal management ensuring high output and long lifespan.
